

Sage Suction System with Corinz™ Oral Rinse

REF 6584-X

Packaging information

Contents:

- (2) Suction Swabs with sodium bicarbonate, (1) 7 mL Corinz Oral Rinse.

Indications of use: Aids in the removal of oral secretions and debris.

Instructions: Burst solution packet with thumbs. Peel package open. Attach Suction Swab to suction line. Clean mouth for 1 minute. To suction, place thumb over port. Rinse to clear tubing after use. Discard according to hospital protocol and local regulations. Repeat as needed/directed.

Caution: Do not allow patient to bite down on the oral care tool. Use a bite block if patient has altered levels of consciousness or cannot comprehend commands. Use caution with children and unresponsive individuals. Failure to follow these safety precautions may damage the device and present a choking/aspiration hazard. May not function as intended/potential risk of cross-contamination if device is reused.

Not made with natural rubber latex.

Suction Swab: MDD 93/42/EEC **CE**₂₇₉₇

Corinz Oral Rinse: EC Cosmetic Regulation 1223/2009
